

We Shall Overcome

We shall overcome

We shall overcome

We shall overcome, some day

Oh, deep in my heart I do believe

We shall overcome, some day

We'll walk hand in hand

We'll walk hand in hand

We'll walk hand in hand, some day

Oh, deep in my heart I do believe

We shall overcome, some day

We shall live in peace

We shall live in peace

We shall live in peace, some day

Oh, deep in my heart I do believe

We shall overcome, some day

We are not afraid

We are not afraid

We are not afraid today

Oh, deep in my heart I do believe

We shall overcome, some day

Uprising

By Matt Bellamy

Paranoia is in bloom

The PR transmissions will resume

They'll try to push drugs that keep us all dumbed down

And hope that we will never see the truth around

(So come on)

Another promise, another seed
Another packaged lie to keep us trapped in greed
And all the green belts wrapped around our minds
And endless red tape to keep the truth confined
(So come on)

They will not force us
They will stop degrading us
They will not control us
We will be victorious
(So come on)

Interchanging mind control
Come let the revolution take its toll
If you could flick the switch and open your third eye
You'd see that we should never be afraid to die
(So come on)

Rise up and take the power back
It's time the fat cats had a heart attack
You know that their time's coming to an end
We have to unify and watch our flag ascend
(So come on)

They will not force us
They will stop degrading us
They will not control us
We will be victorious
(So come on)

Hey, hey, hey, hey
Hey, hey, hey, hey

They will not force us
They will stop degrading us
They will not control us
We will be victorious
(So come on)

Imagine

By John Lennon and Yoko Ono

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one
